Shareholders who do not wish to participate in person at the annual shareholders' meeting are able to appoint a proxy for exercising their voting rights and to participate in the annual shareholders' meeting. This could be the bank where the account is held, a shareholders' association or any other person of their choice. In this case, timely registration and proof of shareholding are still required. If the authorization to exercise voting rights is not given to a bank, shareholders' association or another similar person or institution according to Sec. 135 AktG, the actual authorization as well as any revocation and proof of authorization must be put in textform to the Company. Proof of authorizations to participate in the annual shareholders' meeting without the exercising of voting rights must be provided to the Company in textform. The authorization can be declared either to the proxy or the Company. A proxy can provide proof of his or her authorization by showing it on the day of the annual shareholders' meeting upon entry. The proof of authorization can be sent by post, fax or electronically (e-mail) to the following address:

Drägerwerk AG & Co. KGaA, c/o UBJ. GmbH, Drägerwerk HV 2011, Kapstadtring 10, 22297 Hamburg, Fax: +49 (0)40 6378 – 5423, E-mail: hv@ubj.de.

The above address, fax and e-mail can also be used if the authorization is to be given directly to the Company; it is not necessary to provide separate proof in this case. An authorization can also be revoked by directly informing the Company at the address, fax and email above.

We would like to ask our shareholders to submit any authorizations, proofs of authorization and revocations of authorizations by post or fax by Thursday, May 5, 2011, 18:00 hours (receipt) at the address above.

If a shareholder authorizes more than one person, the Company reserves the right to refuse entry to one or several of these persons.

Banks, shareholders' associations and other similar persons and institutions according to Sec. 135 (8) and (10) in conjunction with Sec. 125 (5) AktG can provide their own form of authorization. We would like to ask our shareholders to agree on the form and procedure of authorization with their proxy or institution in good time.
